## WE ARE THE PRODUCT EXPERTS

We know what's good and what works because we all participate in this great sport

WWW.FOLD-A-GOAL.COM

800-542-4625

We at Fold-A-Goal thank you for your business over the past 53 years and promise to continue our prompt, friendly service. We invite you to call us with any questions and we will be happy to assist you with information or take your order. Tambien tomamos ordenes en Espanol. We are dedicated to our customers, promising to treat you as we would like to be treated if we were doing the buying. You are special to us and we want you to be satisfied. Fold-A-Goal believes our equipment is the best available. 93% of our catalog items are **PROUDLY MADE IN THE U.S.A.** Our products are manufactured with the sturdiest, most rugged materials, improved over the years for the best design and construction. Our goals are safe...all come with goal anchors and safety labels. Please follow our safety guidelines below. Our prices are affordable because we operate factory direct. We pass our savings to you, our customers. Items in stock are shipped same day or day after your order is received. Residents in Southern California can receive their equipment NEXT DAY. **WE ACCEPT RETURNS FOR ANY REASON.**

To those of you who haven't tried us.....WELCOME!

Our Family business takes pride in manufacturing and selling quality equipment at affordable prices. We are passionate about providing opportunities for all kids to play soccer. We donate equipment to set up fields in inner cities. Leagues send us gently used uniforms which we pass on to players who are otherwise unable to afford the most basic soccer gear. We are proud of our commitment to youth.

### **CONSUMER PRODUCT SAFETY ALERT MOVABLE GOALS CAN TIP OVER ON CHILDREN**

#### **► GOALS MUST BE ANCHORED ◀**

Movable soccer goals can fall over and kill children who climb on them or hang from the crossbar. Since 1990, the commission has worked with the Coalition to promote Soccer Goal Safety and the Soccer Industry Council of America to address the risks presented by these soccer goals and to make movable goals more stable. The Commission and the Coalition strongly recommend that soccer coaches, school officials and soccer field maintenance personnel prevent goals from falling over by anchoring goals to the ground. They should chain goals to a fence or permanent structure when not in use and warn students not to climb on goals.

#### **FOLLOW THESE SAFETY SUGGESTIONS/GUIDELINES:**

- Securely anchor or counter weight movable goals at all times.
- Never climb on the net or goal framework.
- Remove nets when goals are not in use.
- Anchor or chain goals to nearby fence posts, dugouts, or any other similar sturdy fixture when not in use.
- Check all connecting hardware before every use. Replace damaged or missing fasteners immediately.
- Ensure safety labels are clearly visible.
- Fully disassemble goals for seasonal storage.
- Always exercise extreme caution when moving goals.
- Always instruct players on the safe handling of and potential dangers associated with moveable goals.
